

If I can do this, I can do anything!™  
Established 1967

Mr. Pruitt,

I personally would like to thank you for your generous donation to Disabled Sports USA Scuba Program. Your donation helped pay for the airfare to take Disabled Veterans from San Antonio, TX to Panama City Beach, FL.

As you may know there are only lakes and rivers in the San Antonio Area. Florida provides our Veterans with their first ocean dives which are full of sea life and wrecks

*Once again thank you for everything,*

A handwritten signature in black ink, appearing to read "Orlando Gill".
