Dear Friends of CCAP,

I am pleased on behalf of CCAP, its Officers, Volunteers, and Clients to acknowledge your support of our organization in its mission of helping those less fortunate. Your support has provided the needed funds to assist the destitute homeless and the working poor. Your generous gift on December 17, 2019 in the sum of \$ 15,000.00, check number 1529, greatly enhances our ability to meet those needs. Nothing is given in exchange for your gift except our sincere thanks (*) and that we give in abundance!

Words cannot express our appreciation for your participation and support in the CCAP mission. I only wish we could provide you with a picture of the smiles on the faces of the many destitute homeless who have received tents and sleeping bags and the faces of the working poor who have received assistance with their utilities and/or rents - those who have received clothing and food and especially those young children who experience your love.

We are blessed beyond measure by a community of faith communities, organizations and individuals like you, who through generous support to CCAP help so very many of their own brethren. If you have any questions regarding CCAP, please do not hesitate to contact us. Your visit to our facility at 112 South Kent Street is always our pleasure and we invite you to do so soon. Thank you again for your generous support and God bless you most abundantly!

In His love,
