Dear Cecil,

You have a heart of gold. Pure gold. Solid gold.

And your shiny, beautiful heart knows no bounds.

I see your heart in our work every day.

Your heart comforts moms like Lydia who doesn't have to decide between whether her daughter will eat or get her asthma medicine. With your donation of \$5,000.00 on June 1, 2021, you've made sure she can come to the Health Wagon for her daughter's medicine.

Your heart heals grandpas like George who will live another day to see his grandbabies because he's able to get treatment for his heart condition at the Health Wagon.

Without you, the lives of so many precious people would look very different. And not in a good way. Because without you, the work we do to help those who can't afford medical care doesn't happen. Can't happen. Won't happen.

Because of you, lives are saved every day. Your heart of gold means the difference between life and death for so many.

Thank you for being my inspiration,

Dr. Teresa Owens Tyson, DNP, MSN, FNP-BC
President and CEO
