Dear Cecil,

Please accept my gratitude for your wonderful, unexpected \$25,000 gift. Gloria told me how you heard about us through your friend, Maureen, before visiting our website. Thank you for recognizing what Southeastern Guide Dogs and The Pruitt Foundation have in common: an unstoppable determination to change lives.

At Southeastern Guide Dogs, we believe that hope can be found in the magical bond between humans and dogs. Hope is a warm, furry body giving a veteran with post-traumatic stress the reassurance to sleep through the night. Hope is four paws leading a person with vision loss into taking each step with confidence. Hope is two big, brown eyes filled with the promise of a best friend who will never leave your side.

Your generous support delivers the gift of hope to those who need it most. Because of the Patten Family Foundation's Million-Dollar Matching Challenge, your gift will be automatically doubled and make twice the impact.

Thank you for believing in our mission. I look forward to having the opportunity to thank you in person and give you a tour of our world-renowned campus in Palmetto, Florida.

Warm regards,

Titus Herman
