Dear Cecil,

We are truly grateful to you for your thoughtful and generous gift to support Youth For Tomorrow and our children. You make it possible for children and families in crisis to find hope and healing. Thank-you for opening your heart to help those in their darkest hours. Your heartfelt gift of \$42,000.00 will ensure our ability to continue to guide and influence the lives of many children throughout our community!

The progress our boys and girls are making in their lives remains at the forefront of our work. This is who we are, what we do and how well we do it – renew lives and save souls for the Lord. As a donor, you are in partnership with us giving our children the assurance that God is present on our campus just as our Founder Joe Gibbs envisioned over 35 years ago.

Our most heartfelt appreciation to you for being a part of such a legacy and truly making a difference in the lives of so many children.
