Dear Cecil,

We are truly grateful for your thoughtful gift and benevolent support of Youth For Tomorrow and the boys and girls we serve. Your generous contribution of \$100,000.00 will ensure YFT the ability to continue to influence the lives of many children throughout our community!

We greatly appreciate your support for the Heart 2 Heart Gala and your support of Cynthia Atwater as chair of this event. With your help we are able to continue to support the children who need us most, those who are homeless and abused children in crisis, in need of help, need to be loved and cared for, to save them from a life of hopelessness and despair. Youth For Tomorrow gives them hope and promise for a brighter future through our residential programs or behavioral health services.

It was wonderful to see everyone in person at our Heart2Heart Gala! Thank you for your attendance and support!

Please retain the following information for your records:
