Dear Mr. Pruitt,

On behalf of Blessed Angels Community Center, we humbly thank you Kind Sir, from the bottom of our hearts for your amazingly awesome donation in the amount of \$25,000.00 to help bring relief to residents impacted by the recent flooding in Kerrville, Ingram, Hunt, and Center Point, Texas.

Kind Sir, your awesome donation provided emergency relief to over 300 families and Emergency Responders. Everyone was so humbly grateful for the emergency aid they received. Some were crying. In addition to the gift cards, we also provided special care packages to families. There were a lot of happy tears. We appreciate you, and are humbly grateful for your awesome continued partnership. Enclosed is a special "Kerrville Strong" hat just for you, along with a picture album of the event. Enjoy!

During these tough times we have been non-stop, super busy helping families, impacted by the Government shutdown. Since 2014, Blessed Angels Community Center have served 2,357,914 families, individuals, seniors, children, disabled, homebound, homeless, low-income Veterans, and Federal Employees and Citizens affected by the Government Shutdown.

We have distributed 218,889,039 pounds of turkeys, groceries, toiletries, diapers, pet food, COVID supplies, clothes, medical equipment, fans, heaters, blankets, school supplies, computers, toys and more to families in need.

Kind Sir, there is no way we could do all we have done without your amazing help.

Thank you, for teaming with us to help those in need during these difficult times. Kind Sir, you have a wonderful Staff. We truly appreciate the kindness and compassion your awesome employee, Tracy Bean, and the rest of your awesome Staff have given us over the Years. We are forever, humbly grateful for the wonderful Pruitt Foundation. Happy Holidays may God Bless All of You.

Blessings,

Marion Thomas, CEO/Executive Director
