Dear Cecil,

Mote Marine Laboratory is on the leading edge of marine science research and education thanks to the generosity of partners like The Pruitt Foundation.

Your foundation's gift of \$7,500.00, received on 12/30/2025, will help us continue our mission by providing us with the financial resources needed for our world-class research programs. It is philanthropic leaders like The Pruitt Foundation which help us to remain a leading independent, global, marine science institute.

Thank you for your support. On behalf of Mote's Board of Trustees, staff and scientists, we are truly honored by your investment in our mission, particularly during these most challenging times.

Respectfully,

Andria Piekarz
Chief Development Officer
