Dear Cecil,

On behalf of all of us at SOS Children's Villages Florida, thank you for your gift of **\$25,000.00**. Your commitment to help improve the lives of children in foster care, as well as young adults who have aged out of care at age eighteen, is deeply appreciated.

While the State of Florida provides funding to meet the basic needs of food and shelter for the children at SOS, our support programs are made possible entirely by the generosity of caring, community partners, like you. **Your support allows us to provide critical programs and services designed to help our children break through barriers created due to less than optimum life circumstances and offers opportunities for everyone to thrive.** Preparing and supporting youth to become stable and productive citizens yields huge social and economic benefits for each individual and breaks the cycle of abuse and poverty in our community.

With an average stay of 18–24 months, our unique model allows children to grow and build memories with their siblings in a safe and nurturing environment, while their parent(s) work towards reunification. Each child at SOS has individualized needs that are met with mental health counseling, bi-weekly tutoring in reading and math, a mentoring program, independent life skills classes, and extracurricular activities. Our NEXT STEPS Program provides a continuum of services for young adults entering the world after foster care. Services include financial management, education support, career counseling, affordable housing support, medical services, transportation, and more.

Visit us at www.sosflorida.com to learn about upcoming events and other ways you can become involved in supporting our mission.

We are grateful for your support!

Sincerely,

Jillian Smath, MSW
CEO
