Dear Gretchen,

Thank you for the generous gift of \$20,000.00 (check #1562) made to Timber Ridge School.

Our mission is to educate and empower youth and families to be successful and responsible by building healthy relationships in a supportive therapeutic environment. Your donation makes the successful completion of our mission possible.

Per your request, \$200 was applied to each student's savings account to be used individually. There were 46 students enrolled as of Christmas Day that received the Secret Santa gift. The students are always surprised and excited to hear of this news. We continue to be grateful for your Secret Santa gift each year to the students in our care.

The remainder of your gift will be used to support the CTE Trades Academy at Timber Ridge School. This program will use grade-appropriate education to give our students a look at a future career in residential carpentry, welding and forklift operations. Your donation will provide furnishings, materials and tools for the program.

Partnering with Timber Ridge School makes a positive, long-lasting impact on the young men we serve. Your generous contribution ensures that we can continue to change lives for the better.

Happy New Year!

Gratefully,

Juli Ferrell
Chief Development Officer
